**SOMMELIER / MELISSA
MONOSOFF AT SAVONA**

100 Old Gulph Road, Gulph Mills,
610-520-1200, savonarestaurant.com

Sommeliers, with their esoteric winespeak and predictably expensive recommendations, can ruin a nice dinner out. Not the laid-back Monosoff, who's more supportive wine cheerleader than intimidating salesman. She's added handy features like a half-bottle list at Savona. And while her wine list is terrific, nothing beats getting her friendly, jargon-free, budget-sensitive wine recs.
