Melissa Monasoff at Savona

Since joining the team last fall after a brief stint at Maia, Monasoff has enhanced Savona's highly lauded wine list with expanded by-the-glass offerings and an interesting array of 100 wines for under \$100.

On Friday evenings, you can pick Monasoff's brain while exploring a selection of three whites and three reds from around the world (5:30 p.m., \$25).
